**The Navajo Nation Navajo School Clothing Program of
Window Rock, AZ**

UPDATE:

The Bloomfield School District student clothing orders have not been processed yet, there is only 1 person entering data and they are at batch #300 and our batch number is in the 400's. There will be more information in 2 weeks but further communication from the Navajo School Clothing Program is that it's possible the clothing orders won't be distributed until January 2019.

Thank you for your patience and understanding.
