Put a check mark in the box which you believe is correct to the best of your knowledge.	1 Disagree	2 Agree	3 Strongly Agree
I am familiar with the JOM Program and how it supplements the needs of our Native American students.			
Should the JOM Program continue to assist students with school supplies?			
I am familiar with the Parental Cost Shares offered to my child/children in meeting his or her educational needs.			
The implementation of Dine'/Native American Culture, Government/History is critically important.			
In our home, we teach the Dine'/Native American culture and language.			
Effective Dine' Language and Culture Programs are taught throughout the District.			
I understand the Indian Education Federal Grant Title VI – Impact Aid is a part of my child's education as part of the Indian Education Federal Grants.			
My child/children's school has a positive cultural climate.			
My child/children's school has access to Dine/Native American language classes.			
Native American children that attend Bloomfield Schools are given the opportunity to participate on an equal basis in regard to the extra-curricular programs.			
I understand my child needs CIB and 506 forms on file to qualify for JOM services.			
My child/ children need more access to afterschool tutoring and extended year programs.			
Teachers, principals, and other school officials are receptive to suggestions in regard to the special needs affecting the educational programs of the Indian students.			
Bloomfield School District has effectively ensured the Navajo Nation Tribal Clothing program is implemented and supported for those eligible students.			
Jr. High & High School only: Native Youth Advisors are helpful and supportive in meeting the needs of my child/children.			

Comments: _____

Please return completed Survey Form back to the Federal Programs Office or your student's classroom teacher by March 1, 2019.
